Criminology Skills Emily Finch, Stefan Fafinski

From study skills to research skills, *Criminology Skills* gives students the tools needed to succeed in the study of criminology.

Beginning with an introduction to finding, using, and evaluating criminological resources, it allows students to establish a strong skills foundation right from the start. The book then moves into more advanced levels of study, covering academic skills, and finally, research skills.

Offering coverage of practical, academic, and research skills in one manageable volume, *Criminology Skills* is an excellent study skills book for criminology students at all levels of study.

FEATURES

- * Written in lively, student-friendly language
- * Integrates real-world examples and engaging exercises throughout, encouraging students to put the skills they are learning into a practical context
- * Comprehensive coverage of research methods, ethics, and data analysis
- * Accompanied by a comprehensive **Companion Website** (www.oup.com/uk/orc/bin/9780199597376) with a rich variety of student resources--practical exercises, animated walkthroughs showing how to use online databases, activities to help test students' understanding of ethical considerations as well as the differences between quantitative and qualitative research methods, and more

From reader reviews:

Neil Turner:

This Criminology Skills book is just not ordinary book, you have after that it the world is in your hands. The benefit you have by reading this book is information inside this publication incredible fresh, you will get information which is getting deeper an individual read a lot of information you will get. That Criminology Skills without we understand teach the one who reading through it become critical in considering and analyzing. Don't always be worry Criminology Skills can bring any time you are and not make your handbag space or bookshelves' come to be full because you can have it with your lovely laptop even phone. This Criminology Skills having great arrangement in word as well as layout, so you will not really feel uninterested in reading.

Nancy Farley:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one having theme for entertaining such as comic or novel. Often the Criminology Skills is kind of guide which is giving the reader unpredictable experience.

Carla Arbogast:

Playing with family in the park, coming to see the marine world or hanging out with pals is thing that usually you might have done when you have spare time, then why you don't try issue that really opposite from that. Just one activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition info. Even you love Criminology Skills, you can enjoy both. It is excellent combination right, you still want to miss it? What kind of hang-out type is it? Oh come on its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Jim Molnar:

Do you like reading a guide? Confuse to looking for your selected book? Or your book has been rare? Why so many issue for the book? But almost any people feel that they enjoy with regard to reading. Some people likes examining, not only science book but also novel and Criminology Skills as well as others sources were given knowledge for you. After you know how the great a book, you feel desire to read more and more. Science book was created for teacher or students especially. Those ebooks are helping them to include their knowledge. In different case, beside science book, any other book likes Criminology Skills to make your spare time considerably more colorful. Many types of book like here.
