Starcross: A Stirring Adventure of Spies, Time Travel and Curious Hats Philip Reeve

Art, Myrtle and their mother accept the kind invitation of a holiday to an up-and-coming asteroid resort. But they set out with visions of rest and relaxation only to be sucked into a dastardly plot involving spies, time travel, and mind-altering clothing! Before their adventures are out, they'll sail an aether-ship amid asteroid-strewn seas, dodge demonic puppets, and learn wisdom from an unlikely ally: the Moobs! With faster-than-light plot twists and enough tongue-in-cheek vim and vigor to keep a galaxy in laughter, this dynamic sequel to *Larklight* is a tour de force of the most intergalactic kind.
