Travels Between Imaginary Shores Benjamin Gerber

A collection of short works, poems and a one act play. In this collection, you will find work from between 1988 and 2006. None of these particular bits ever found a home elsewhere, although a few may have seen publication in little know zines and extraordinarily small press magazines. In collecting them in one volume, I hope to have given them all a kind of home, a family of like-minded and similarly aged words. You'll find fantastical and elemental poetry, scifi and horror short stories, and a play which turns reality on its head.
