Arts Based Research Tom Barone, Elliot W. Eisner

Arts Based Research is ideal for students, researchers, and practitioners. This unique book provides a framework for broadening the domain of qualitative inquiry in the social sciences by incorporating the arts as a means of better understanding and rethinking important social issues. In the book's 10 thought-provoking chapters, authors Tom Barone and Elliot W. Eisner--pioneers in the field--address key aspects of arts based research, including its purpose and fundamental ideas, controversies that surround the field and the politics and ethics involved, and key criteria for evaluation.
