This time my challenge was to write five different stories, using five Australian country male singers. It was hard to choose from so many Australian male country singers so I chose Lee Kernaghan, Adam Harvey, Troy Cassar-Daley, James Blundell and Adam Brand as their songs and their styles in writing were all different. Legally I cannot use Lyrics or Music because of Copyright but I can use song titles (Italicized) Also I must put a Reference (exactly as it is down loaded) and a Bibliography after the story or stories. So, sit back, relax and enjoy reading these short stories. LEE KERNAGHAN Tallarook, the Tenterfield Saddler, ends up in the Darwin Jailhouse just before Christmas. He tries to remember what happened during the previous day, but his memory keeps taking him back to his past. Who was the mysterious person that helped the lawyer quickly discover the truth and the nature of the crime and set Tallarook free? ADAM HARVEY What was Mr Bojangles involvement in the disappearance of the seven Spanish angels? Is the evidence that the police have against him enough to convict him or will the King of the road in Phantom 309, who had given him a lift the previous day, save the day? TROY CASSAR-DALEY In the First Story Grandpa Damon tells his two grandchildren about him and a friend, who was a river boy. The dreams they had when they were young and what happened when they were both old enough to get work. Why was the factory man only interested in him and not his friend? Did their dreams that they were dreaming out loud come true? The second story is about an older gentleman who, after so many years on his farm, decides to follow his dream of going back to a part of his past life when he was just a country boy. His destiny is changed partially by a rodeo clown who speaks to him and a woman who was chasin' rodeo clowns to find the one had spoken to her in the past. Who is this rodeo clown and is he the same one who spoke to both of them? JAMES BLUNDELL Five men who used to work together down on the farm; the Time and Tide property, are invited to get together for a reunion and a walk down memory lane in Tamworth when the Country Music Festival is on. Follow in their conversation as each talk about their lives after they left the farm. All seems straight forward but is it? Will their friendship still be strong when strange and unusual events start happening? ADAM BRAND Will you really blame it on Eve for what Uncle Pete feels and his journey home to his brother's farm? Eve is one of the six year old twin daughters of Pete's brother Steve, who has just one dream that changes everything for her family one Christmas with the aid of a stranger. Find out what Eve's dream was and how and why it came true for her.
