The Real Ghostbusters: This Ghost Is Toast! Dan Abnett

Unorthodox scientist Peter Venkman, Ray Stantz and Egon Spengler decided to go into business, forming a company specializing in paranormal investigations. Now, along with Winston Zeddemore and their “pet” ghost Slimer, they protect the world from the realm of the supernatural — as the *Ghostbusters*.

There’s something strange afoot in this latest volume of comic tales as the gang charge their proton packs once again to take on the world’s most ghastly ghouls, foolish phantoms and diabolical demons.
