## **Man on Top (Positions 1 - 56)**

Man on top positions allow for face to face contact which is highly intimate, gives the highest percentage of woman orgasms and is the best for inducing pregnancy.

### **Woman on top (Positions 57 - 91)**

Positions where the woman is on top enables the female to have more control. The male should embrace the submissive feeling.

### **From Behind (Positions 92 - 107)**

Although not as intimate as positions where you are facing each other, a man taking his lover from behind can give great pleasure. It is a highly dominant position for the male and his lover can fall into submission.

### **Standing Sex Positions (Positions 108 - 115)**

Some standing positions can be difficult to achieve as they may require more flexibility and/or strength.

### **Side on Sex Positions (Positions 116 - 120)**

Side positions are great for relaxed sex. If you are sleepy or when your body is otherwise not up to other positions, side by side is the answer. It is also highly intimate and with the often slow nature, the male can usually last much longer

### **Miscellaneous Sex Positions (Positions 121 - 126)**

The sexual positions that couldn't fit in any of the above categories.
