Becoming Somebody (The Witness Series #2): book 2 in The Witness Series Heather D'Agostino

What happens when everything you thought you knew suddenly changes with a few simple words?

When Samantha Connelly fell hard for the one person that could rip her world apart she wasn't prepared for the bomb he would later drop on her. With a few words, Brian completely turned her world upside down and sent her into an emotional spiral.

Forced to leave town once again, she begged him to come with her...pleaded with him to choose her...to love her, but Brian had his own agenda that he couldn't deviate from.

What happens when two people who are meant for each other are forced apart with no reunion in sight? How do you recover from the reality that you may never see one another again? How do you go back to being a nobody when all you want in life is to be somebody to someone?

This book contains profanity and graphic sexual situations. It is intended for adult readers.
