**Embellishing Credentials: The Worst Immoral Business Practice: "Faking what you haven't earned is one of the most unethical and immoral practices known to man** Trevor Clinger

The United States of America has a plethora of honest, hardworking people. Most of us in the United States have worked for everything we have. Some of us had to work two jobs everyday just to scrape by. It's these type of hardworking people deserve, a monetary bonus, assistance, or promotion. There are also those who are able to find the loops in the so called "system." By loops, I mean ways to effectively cheat their way through life, and do things to just get by in their place of employment, but because of favoritism, rumors, or for political reasons, these "loopy" people are still able to be slipped through the crack. Dive into this great example of "faking" credentials through a recent incidents with Walmart Stores, Inc. and a few other corporate entities . I have a Bachelor's Degree of Business Administration, as well as an Associates Degree of Business Management Technology.
