The large and handsome Great Dane is impressive in stature, but despite his formidable appearance he is typically friendly and good-natured. Books in the Barron's *Dog Bibles* series are breed-specific titles that present veterinarian-approved advice and information on canine care and training. Each *Dog Bible* describes the title breed's traits, history, and behavior characteristics. These books also instruct readers on what to look for when choosing a puppy and advise on nutrition, exercise, grooming, and maintaining the dog's health. Every *Dog Bible* comes with an enclosed DVD that presents methods for housetraining, teaching obedience using hand signals and vocal commands, and more. All books in this series feature attractive color photos on most pages.
