The email said.. "He is having an affair!" Now what do you do when you are the last to know? A true story of how my husband and I survived his affair and restored our marriage to not only fall in love with each other all over again...but to fall in love with the God...who made it all possible. I pray you will read this even if you do not believe in God. This is a story of great trial, great mercy and forgiveness. This world does not offer much hope in times like this which is why I had to write this book. The old me.. "the worldly me" ...would be divorced today if I did not give LOVE a chance to overcome! Please, take the time to read my story. I truly hope it helps you in some way in your trying time.

***** Special Note*****

I am not a formal writer. I have no experience with writing. Please; do not expect this book to be some great novel or work. I am certain my grammar is off as well as many spelling mistakes. All I wanted to accomplish....was to tell my story in hopes that it MIGHT help someone else. That is all....nothing more and nothing less.

An UPDATE: Today is September 25, 2014 and my husband and I are still amazingly in love with one another and continue to grow in our faith daily. We are almost....inseparable. Grace truly can win over a heart that is broken, change the heart of one that has been wounded.....and restore greater than that which was lost.
