**Total War. Rome II. Destruir Cartago (Spanish Edition)** David Gibbins

¿Hasta dónde estás dispuesto a llegar por Roma?

Cartago, año 146 a.C.

Esta es la historia de Fabio Petronio Segundo, legionario romano y centurión y de su ascenso al poder: desde su primera batalla contra los macedonios, que selló el destino del Imperio de Alejandro Magno, hasta la guerra total en el norte de África y el asedio de Cartago.

El éxito de Fabio le aporta admiración y respeto, pero también atrae la codicia y la envidia. Los aliados más íntimos pueden convertirse en los más amargos enemigos. Además, está la oveja negra de la familia de César, Julia, quien ama tanto a Fabio como a su rival Paulo, provocando una feroz rivalidad.

Al final, Fabio se verá obligado a responder a una sola pregunta: ¿hasta qué punto está dispuesto a sacrificarse por su visión de Roma?

Inspirada en Total War: Rome II, de la exitosa serie de videojuegos Total War, Destruir Cartago es la primera de una serie de novelas épicas narradas a partir del juego. No es solo el relato del destino de un hombre, sino también un viaje a la esencia de la época romana, a través del universo de las tácticas militares y las intrigas políticas con las que los guerreros y los ciudadanos romanos trataban de burlar a la muerte. Fabio tratará de recordar lo que un viejo centurión le contó sobre las batallas: «Sólo verás un túnel frente a ti y ese túnel será tu mundo. Consigue que el enemigo no invada ese túnel y quizás logres sobrevivir. Si tratas de ver lo que ocurre más allá del túnel, si apartas la vista de aquellos que tienen la vista puesta en ti, morirás».

Basada en los juegos de estrategia Total War, desarrollados por Creative Assembly y publicados por SEGA.

David Gibbins es autor de siete novelas históricas, entre las que destaca el éxito internacional Atlantis. Profesor e investigador en Cambridge y en diversas universidades inglesas, durante una década dio clases de Arqueología, Historia Antigua e Historia del Arte. Dejó la enseñanza para dedicarse a la literatura. Es un apasionado submarinista y ha dirigido numerosas expediciones en las que han llegado a hacerse hallazgos de

más de diez mil años de antigüedad. David Gibbins divide su tiempo entre Inglaterra y Canadá.
