Better Than the Best Amabel Daniels

A new beginning. Turning a leaf. All that crap. After her divorce and the death of one of her patients, an ER nurse, Kelly Newland, searches for a fresh start in the little town of Churchston, unaware that trouble and danger has followed her. As she learns to accept her failures in life, she befriends some of the locals, except for one disgruntled man, the hero everybody loves to hate. He could feel their stares on his back, their judgments hovering over their heads. Will Parker suffers from PTSD, and as the black sheep of the sleepy lakeside community, he struggles to get back up on his feet. Initially, Kelly and Will mix like oil and water, but as a series of dangerous incidents strike the people closest to them, their antagonism turns from cool to hot. It is only when they realize it is impossible to resist each other that a killer closes in on them, threatening the love they've dared to find.
