How to Preach Ken Down

I am an experienced and popular preacher. I believe that anyone can preach provided God has called them to do so. Although God can speak through the most feeble of sermons, yet as good workmen we should do our best to make our messages interesting and acceptable to our hearers.

In this book I share 40 years of preaching experience, recognising that what works for me may not work for you. My prayer is that at least some of the ideas in this book will help you become a more effective servant for our Master.
