Soft Tissue Injuries and Hard Ball Tactics: Dealing With Soft Tissue Injuries and Insurance Companies B.J. Kelley

Insurance companies make billions of dollars by minimizing soft tissue injury claims. They are highly skilled at using strong tactics to accomplish this goal. Many individuals who suffer from injuries related to automobile, semi trucks, or motorcycle accidents often realize this far too late. Now, seasoned personal injury attorney B.J. Kelley draws from decades of experience to provide anyone suffering from an accident with an effective plan of action to manage the claim process. *Soft Tissue Injuries and Hard Ball Tactics: Dealing With Soft Tissue Injuries and Insurance Companies* is a straightforward, step-by-step “how to” manual to help anyone overcome the daunting hurdles that insurance companies put forth to minimize personal injury claims. The average person is typically not equipped to deal with the carriers on their own. In fact, many of those who incur accident-related injuries simply believe they are just “a little sore” and expect to improve within a few days. However, there is often a delay in the onset of soft tissue pain so that the pain doesn’t present until well after a person has foregone an attorney’s counsel and made statements that indicated that all was well. Regrettably, this all-too-common course of events may work to your disadvantage when ultimately filing a soft tissue claim. To avoid pitfalls of this nature, Kelley clearly maps out every aspect of this all-important scenario. The book first details the motivations of the insurance companies. It then lays out the carriers’ standard procedures and discusses why your own company won’t necessarily help you after an accident. The author then itemizes the do’s and don’ts you should consider after you’ve been in a wreck, from calling the police to hiring an attorney. He then defines a soft tissue injury, and the reasons the injury may not be immediately evident after a collision. The book also discusses medical treatment, the challenges of soft tissue injury cases, and what to expect from your attorney during the course of your case. When it comes to soft tissue injuries, information will give you the crucial power you need to handle your claim, and get the treatment to which you are entitled for as long as you may require it. Clear, concise, and indispensable, *Soft Tissue Injuries and Hard Ball Tactics: Dealing With Soft Tissue Injuries and Insurance Companies* can help ensure that the pain of an accident can be minimized in every way. Read it—and reap the coverage you have coming.
