Ask the Children: What America's Children Really Think About Working Parents

Ellen Galinsky, Judy David

Ask the Children: What America's Children Really Think About Working Parents Ellen Galinsky, Judy David

The book contains the results of the author's in-depth interviews and representative surveys of how children view their parents working. The author presents the first comprehensive study ever conducted that asks children and parents their views on work and family life. This book was five years in the making. The author covers all the typical areas of thinking today about parents whom work and their children. The result is stereotypes are destroyed and politically correct ideas challenged. The reader will find practical advice for a better family life and a new set of operating principles to help the parent be more in command and control at work and at home.
