Breve historia de los Tercios de Flandes (Spanish Edition) Antonio José Rodríguez Hernández

Descubra la épica historia de la legendaria e invencible infantería que mantuvo los Países Bajos bajo soberanía española más de 150 años. Una visión innovadora y rigurosa de las hazañas, armamento, estrategias y azarosa vida del mítico y glorioso ejército. Conozca a los soldados que durante ciento cincuenta años defendieron y mantuvieron los Países Bajos bajo soberanía del rey de España, forjando una leyenda y convirtiéndose en una infantería legendaria, cuyo halo de invencibilidad ha configurado un mito que ha llegado hasta nuestros días. Descubra su vida, sus hazañas, desventuras y derrotas que han dejado huella en el arte del Barroco, y especialmente en los cuadros de Velázquez o la pintura flamenca, pero también en la literatura, en autores como Cervantes, Lope de Vega, Garcilaso, Calderón de la Barca y Quevedo, entre otros muchos. Su autor, Antonio José Rodríguez Hernández, doctor en Historia Moderna y especialista en Historia Militar, ayudará al lector a interpretar a través de las numerosas huellas documentales que se encuentran en los archivos, como cartas y documentos administrativos, las vivencias de aquellos hombres, sus inquietudes y necesidades, además de reconstruir sus vidas lejos de cualquier ficción o hecho novelesco. En esta Breve historia de los Tercios de Flandes podrá saber cómo se organizaban los Tercios a través de todo este período, cómo combatían y con qué armas, hasta llegar al verdadero pilar que originó la leyenda de la imbatibilidad de la infantería española de los Tercios.
