## **Bizarre Tri-Cities: Strange and Unusual History of the Tri-Cities Area.** Laura Wright

The Tri-Cities today is relatively quiet, but it wasn't always this way. *Bizarre Tri-Cities*, explores the strange and unusual history of the area through 1950. Beyond murder and mayhem, there were famous outlaws, mystics, healers and more. The Tri-Cities area encompasses significant portions of Southwestern Virginia and Northeastern Tennessee. The region involves nine counties, all cities therein and holds a combined population of over 500,000 residents.

Some of the information contained in *Bizarre Tri-Cities*:

- Which outlaw lived by omens and portents as well as bullets?
- Which world-traveling mystic tried to recreate Solomon's Temple from timber with no nails or metal fastenings?
- What was the mysterious plague that swept through the region, killing most of the exposed, only to disappear?
- Which outlaw dressed in white for his execution?
- Who was the mild-mannered Kingsport locksmith who tried to revolutionize the automotive industry?
- Who endured outlawry, just to protect his murderous wife?
- Who was the "Birdman of Bristol?"
- Who was the wealthy Bristol industrialist who was found dead in a compromising position during Mardi Gras?
- Which thief stole tens of thousands of dollars in official funds, only to hide in his father's house for 2 years before turning himself in as a madman?
- Who was the executed man, who not only found life after death, he became a mining magnate out west?
- Who was the swindling Romeo, captured in Gate City, who was involved in crimes across the nation?

The book covers a "newly discovered," race of people that we know today as Melungeons. From poltergeists and meteorites, to confessions of a murder which never happened, *Bizarre Tri-Cities*, proves that our history is anything, but predictable.
