## **Check Out What Others Are Saying...**

"This book is a beginner's guide in surviving the Bushcraft life in the wilderness." -- Sabrina Angerstein

"I am not really into... camping. Until I read this book. I thought it was really difficult, but the book gave so much information on survival skills. It is always best to know a lot of things about survival because you will never know when and where you will have to use them." -- Joanne Aguilar

"This was a great book for anyone that wants to go camping out in the wildness. I have just started going out camping with my dad and we go to pretty high level places, where there is lots of animals. This was a an awesome guide on how to survive out there if something ever happened and some on the things Tony talks about was awesome to know about. I highly recommend you get yourself a copy of this book, very worthy" -
