Maxwell's Guide to Authority Work (Ala Editions) Robert L. Maxwell

In this text, authority work is broken down to its most basic components so that you can trace and follow the preparation of a complete authority record. Helpful illustrations identify the key characteristics of good authority records, common acronyms are defined, and cross-references throughout reinforce material. Step-by-step, you'll learn how to: form and record uniform access points; keep thorough and accurate records; share information in an environment of international databases and cooperative cataloguing.
