SNARL (A KATE REDMAN MYSTERY: BOOK 4)

A research laboratory opens on the outskirts of the West Country town of Abbeyford, bringing with it new people, jobs, prosperity and publicity to the area – as well as a mob of protesters and animal rights activists. The team at Abbeyford police station take this new level of civil disorder in their stride – until a fatal car bombing of one of the laboratory's head scientists means more drastic measures must be taken...

Detective Sergeant Kate Redman is struggling to come to terms with being back at work after a long period of absence on sick leave; not to mention the fact that her erstwhile partner Mark Olbeck has now been promoted above her. The stakes get even higher as a multiple murder scene is discovered and a violent activist is implicated in the crime. Kate and the team must put their lives on the line to expose the murderer and untangle the snarl of accusations, suspicions and motives.

CHIMERA (A KATE REDMAN MYSTERY: BOOK 5)

The West Country town of Abbeyford is celebrating its annual pagan festival, when the festivities are interrupted by the discovery of a very decomposed body. Soon, several other bodies are discovered but is it a question of foul play or are these deaths from natural causes?

It's a puzzle that Detective Sergeant Kate Redman and the team could do without, caught up as they are in investigating an unusual series of robberies. Newly single again, Kate also has to cope with her upcoming Inspector exams and a startling announcement from her friend and colleague DI Mark Olbeck...

When a robbery goes horribly wrong, Kate begins to realise that the two cases might be linked. She must use all her experience and intelligence to solve a series of truly baffling crimes which bring her up against an old adversary from her past...

ECHO (A KATE REDMAN MYSTERY: BOOK 6)

The West Country town of Abbeyford is suffering its worst floods in living memory when a landslide reveals the skeletal remains of a young woman. Detective Sergeant Kate Redman is assigned to the case but finds herself up against a baffling lack of evidence, missing files and the suspicion that someone on high is blocking her investigation...

Matters are complicated by her estranged mother making contact after years of silence. As age-old secrets are uncovered and powerful people are implicated, Kate and the team are determined to see justice done. But at what price?
