Virtual Laboratories for Physical Anthropology CD-ROM (Available Titles CengageNOW) John Kappelman

The new edition of this interactive CD-ROM provides students with a hands-on computer component for doing lab assignments at school or at home. It encourages students to actively participate in their physical anthropology lab or course through the taking of measurements and the plotting of data, as well as giving them a format for testing their knowledge of important concepts. Contains full color images, video clips, 3-D animations, sound, and more! New to this edition is a special quizzing section where students can take online tutorial quizzes based on the 12 Laboratories and have their answers scored and emailed to their instructor!
