A Testimony of Jesus Christ - A Commentary on the Book of Revelation Anthony Garland

A Commentary on the Book of Revelation: Volumes 1 and 2 combined.

The author presents a detailed study of the Book of Revelation emphasizing prophetic themes from the rest of the Bible which find their fulfillment in Revelation. To understand this controversial book, the author explores the many connections between the visions seen by the Apostle John and previous prophetic revelation given to Old Testament prophets such as Daniel, Ezekiel, and others. It is the author's conviction that an understanding of related passages elsewhere in the Bible is the most important key to unlocking the bewildering variety of interpretations which often accompany the study of the last book of the Bible. The commentary is linked to a free companion internet course providing an additional 70 hours of audio instruction linked to almost 1,000 slides.

See ISBN:78-0978886417 and ISBN:978-0978886424 for the equivalent two-volume hardback set.
