## **Prolegomena: To A Study Of The Return Of The Repressed In History**

I don't want to do anything subversive - I just want to destroy capitalism. A collection of 'ultra' prose and poetry from 300 years of outrage, passion, sarcasm and wit. Quotes, rants, declarations and blood-curdling warcries. This is utterly brilliant, and is finally reprinted here (from an obscure edition first published in the 60s) in a new edition edited, introduced, and illustrated by Clifford Harper. "Death to middle-class society, and long live anarchism!"
