Commentaries on Galatians--Philemon (Ancient Christian Texts) Ambrosiaster

Ambrosiaster ("Star of Ambrose") is the name given to the anonymous author of the earliest complete Latin commentary on the thirteen epistles of Paul. The commentaries were thought to have been written by Ambrose throughout the Middle Ages, but their authorship was challenged by Erasmus, whose arguments have proved decisive. The commentaries, which serve as important witnesses to pre-Vulgate Latin versions of Paul's epistles, are noteworthy in several respects. Ambrosiaster was a careful and thoughtful interpreter, who made little use of allegory, though he employed typology judiciously. Writing during the pontificate of Damasus (366-384), he is a witness to Nicene orthodoxy and frequently comments on themes related to the Trinity, the consubstantiality of the Son, the problem of the unbelief of the Jews and the nature of human sinfulness. He had a keen eye for moral issues and often offers comments that reflect his knowledge of how the church had changed from the time of the apostles to his own day. Here for the first time his commentaries on Galatians, Ephesians, Philippians, Colossians, 1-2 Thessalonians, 1-2 Timothy, Titus and Philemon are made available in English, ably translated and edited by Gerald L. Bray.

From reader reviews:

Michelle Porter:

What do you about book? It is not important along? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to do others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every person has many questions above. They need to answer that question mainly because just their can do in which. It said that about book. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need this particular Commentaries on Galatians--Philemon (Ancient Christian Texts) to read.

Charles Lee:

Information is provisions for anyone to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a problem. What people must be consider if those information which is within the former life are hard to be find than now is taking seriously which one is acceptable to believe or which one often the resource are convinced. If you find the unstable resource then you obtain it as your main information it will have huge disadvantage for you. All of those possibilities will not happen throughout you if you take Commentaries on Galatians--Philemon (Ancient Christian Texts) as the daily resource information.

Randall James:

Reading a reserve tends to be new life style within this era globalization. With reading through you can get a lot of information that can give you benefit in your life. Using book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the storyline that share in the publications. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some study before they write to their book. One of them is this Commentaries on Galatians--Philemon (Ancient Christian Texts).

Andres Edelman:

Are you kind of active person, only have 10 or maybe 15 minute in your moment to upgrading your mind proficiency or thinking skill even analytical thinking? Then you have problem with the book when compared with can satisfy your small amount of time to read it because all this time you only find book that need more time to be study. Commentaries on Galatians--Philemon (Ancient Christian Texts) can be your answer since it can be read by an individual who have those short extra time problems.
