Earth Angel from Heaven - A True Story of Angels On Earth by Amazon Bestselling Author Hope Reynolds

Hope's daughter, Aimee was born in the Year 2000. When she began telling vivid stories of heaven and speaking with angels, her mother was surprised. One day, Aimee pointed at a large round clock up on the wall about thirty feet away. The hands on the clock immediately began spinning forward. With a flick of her wrist, the hands on the clock changed direction and started whirling backwards. Aimee looked at her mother and asked, "Do you believe me now, Mommy?"

Hope Reynold's daughter Aimee continues to travel to heaven and back. As an Earth Angel, she describes many of the things we all want to know about heaven, angels, and the purpose of life. How can we contact passed loved ones? When is the best time? Does Hell exist? Is there only one God – or many? I think you'll be surprised. Is there a specific way for us to communicate with the angels in our lives? Do spirits get offended? Do spirits have meetings here on Earth? Can Aimee get lottery numbers? Why don't angels do more healings? All this and more is included in Hope Reynolds' newest book. This book is 10,000 words, and is Hope Reynolds' fourth book. She has also written the best seller What is Heaven, What is Heaven II, and Heaven: There's Light at the End of the Tunnel. Hope's newest releases are Heaven is Real for All of Us (July 2014), Real Heaven (September 2014), and Heaven: Through Pearly Gates (January 2015).
