No One Could Know

Kristan Gray

No One Could Know Kristan Gray

Surprisingly, No One Could Know is actually a funny book-at least in the beginning. Many have said, "I laughed, I cried, I got mad, and I even learned a little as I read your book" So, why is a book about abortion partially funny? I think that's just how life is sometimes-it's full of ups and downs, isn't it? Reasons for abortion vary, but I dare say a large number of abortions take place because of the very same reason I had mine-so no one would know what was done at an inconvenient time. I'm now going public with my experience of an abortion-and later, rape-because I believe there is someone out there who needs to read this and will be touched by what it contains. If you have never found yourself in such situations as I did, then maybe this book can help you to be of help to someone else. No One Could Know is engaging, thought-provoking, and informative. More importantly, it's a tool of recovery for those who walked the same road I did. When I chose abortion, I was a Christian, but I had no idea how astounding and full of grace, forgiveness, and love our awesome God is. Jesus Christ has truly set me free. I hope you experience His presence of "joy unspeakable and full of glory" as you relax and slip into my story with me, God, and a good cup of coffee.
