Big Picture of the Bible—New Testament Lorna Daniels Nichols

Big Picture of the Bible—New Testament is the second in a series of studies about the Bible—God’s message to mankind. In this study, you will learn how God fulfilled His Old Testament promise of a Messiah through Jesus Christ and provided a way for all mankind to commune with Him in an intimate and personal way here on earth and throughout eternity.

This New Testament study is presented in five easy lessons, written in the same style and format as Big Picture of the Bible—Old Testament. The study is designed to help readers better understand the Good News of God’s free gift of salvation through Jesus Christ. Emphasis is placed on those events in the New Testament that were prophesied or foreshadowed in Old Testament scripture.

Allow God to reveal Himself to you through Jesus Christ. Experience spiritual growth and a closer and more personal relationship with God as you study His Word.
