Fairy Tale Rituals: Engage the Dark, Eerie & Erotic Power of Familiar Stories Kenny Klein

Magical and mysterious, Faeries are also subtle, sexual, sublime, stubborn, erotic, enticing, dark, and deadly...

So you think you know Snow White? You're acquainted with Sleeping Beauty? You're quite familiar with Beauty and the Beast? *Fairy Tale Rituals* explores the eerie, seductive Faerie lore lying just beneath the surface of eleven favorite fairy tales.

Feel the fear and passion these stories once inspired in ancient listeners. Learn how to create modern rituals that will bring the archetypal magical characteristics of these fairy tale icons -- the sexual attractiveness of Snow White, the totem animal journey of Rose-Red, the manifestation prowess of Cinderella -- into your own life.

Each tale here is explored in two ways: first by looking at the story itself, with an eye toward its mythic roots and magical elements. Next, a powerful ritual or spell is presented based on the characters or events of the tale, which you can use to find a true friend or lover, glimpse the future using divination, celebrate a coming-of-age ceremony, honor the spirit of death, and much more.

Praise:

“Empowering rituals, often-forgotten histories, magickal lore, and insights into stories we only thought we knew—*Fairy Tale Rituals* is that rare book that goes beyond its title and offers a bit of myth, enchantment, and scholarly insight to all who walk a magickal path.”—Jason Mankey, Pagan scholar, historian, and lecturer
