Pennsylvania Elections

John J. Kennedy

Pennsylvania Elections John J. Kennedy

Pennsylvania Elections provides a systematic and thorough analysis of every statewide election in Pennsylvania since 1950. The five chapters are divided between U.S. Senate elections, gubernatorial contests, statewide row offices, and presidential campaigns. Each of the 106 elections that have taken place since 1950 is analyzed within the context of the 67 counties in the Commonwealth and John J. Kennedy discusses the candidates and issues which have shaped Pennsylvania for more than a half-century. By combining quantitative political science, political history, and political geography, this book will both pique the interest of those interested in the state's politics and serve as a reference source for future scholars.
