In a world where multiple "truths" abound, Christians need to be on their guard to avoid being deceived by other ways of looking at the world that directly oppose Christ and His Word. To be prepared, they must be well informed of these other worldviews and how they differ from Christianity. In this Biblical Essentials study, Dr. Eckman analyzes the main world religions, cults, and philosophical systems as worldviews. He asserts that genuine, biblical Christianity is the only worldview that answers every question relating to spirituality, morality, and the meaning of life. James P.
