A Basic Guide to Biblical Interpretation: Understanding the Correct Methods of Interpretation

Edward D Andrews

Delving into the basics of biblical interpretation, Edward D. Andrews has provided a complete hands-on guide to understanding what the author meant by the words that he used from a grammatical-historical perspective. He teaches how to study the Bible on a deep, scholarly level, yet making it understandable to all. He has sought to provide the very best tool for interpreting the Word of God. This includes clarification of technical terms, answers to every facet of biblical interpretation, and defense of the inerrancy and divine inspiration of Scripture.

Andrews realizes that the importance of digging deeper in our understanding of the Bible, for defending our faith from modern day misguided scholarship. Andrews gives the reader easy and memorable principles and methods to follow for producing an accurate explanation that comes out of, not what many read into the biblical text. The principal procedure within is to define, explain, offer many examples, and give illustrations, to help the reader fully grasp the grammatical-historical approach. Finally, Andrews provides the next generation of Christians, a fresh new Bible reading program. This program will not only help the reader know the Bible, but also be able to interpret it, explain it, defend it, and use it in their evangelism.
