Friends in High Places Donna Leon

The winner of the Crime Writers Association Macallan Silver Dagger?available for the first time in the United States

Donna Leon?s sophisticated Commissario Brunetti series has won her legions of fans over the years. In Friends in High Places, Brunetti is visited by a young bureaucrat investigating the lack of official approval for the building of Brunetti?s apartment years before. What began as a red tape headache ends in murder when the bureaucrat is found dead after a mysterious fall from a scaffold. Brunetti starts an investigation that will take him into unfamiliar and dangerous areas of Venetian life, and will reveal, once again, what a difference it makes to have friends in high places.

From reader reviews:

Bobby Hall:

Book is to be different per grade. Book for children until eventually adult are different content. As it is known to us that book is very important normally. The book Friends in High Places ended up being making you to know about other expertise and of course you can take more information. It is extremely advantages for you. The publication Friends in High Places is not only giving you considerably more new information but also to get your friend when you truly feel bored. You can spend your own spend time to read your book. Try to make relationship with the book Friends in High Places. You never experience lose out for everything when you read some books.

Adam McGrath:

Information is provisions for anyone to get better life, information currently can get by anyone at everywhere. The information can be a know-how or any news even a problem. What people must be consider while those information which is within the former life are challenging to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you find the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen inside you if you take Friends in High Places as your daily resource information.

Eddie Grabowski:

Can you one of the book lovers? If so, do you ever feeling doubt while you are in the book store? Make an effort to pick one book that you find out the inside because don't assess book by its include may doesn't work the following is difficult job because you are scared that the inside maybe not because fantastic as in the outside appearance likes. Maybe you answer may be Friends in High Places why because the great cover that make you consider with regards to the content will not disappoint you actually. The inside or content is actually fantastic as the outside or cover. Your reading sixth sense will directly guide you to pick up this book.

Annie Resnick:

A lot of book has printed but it differs. You can get it by online on social media. You can choose the most effective book for you, science, witty, novel, or whatever through searching from it. It is called of book Friends in High Places. You can contribute your knowledge by it. Without causing the printed book, it can add your knowledge and make you happier to read. It is most significant that, you must aware about publication. It can bring you from one spot to other place.
