Let Them Eat Cake: A Novel (French Twist Book 1) Sandra Byrd
Book One in the French Twist Series.

Lexi Stuart is at a critical crossroads. She's done with college but still living at home, ready to launch a career but unable to find a job, and solidly stalled between boyfriends.

When a lighthearted conversation in French with the manager of her favorite bakery turns into a job offer, Lexi accepts. But the actual glamour is minimal: the pay is less than generous, her co-workers are skeptical, her bank account remains vertically-challenged, and her parents are perpetually disappointed. Her only comfort comes from the flirtatious baker she has her eye—but even may not be who he seems to be!

So when a handsome young executive dashes into the bakery to pick up his high profile company's special order for an important meeting—an order Lexi has flubbed—she loses her compulsion to please. Something inside Lexi clicks. *Laissez la révolution commencer!* Let the revolution begin!

Instead of trying to fulfill everyone else's expectations for her life, Lexi embarks on an adventure in trusting herself and God with her future—*très bon!*

This book is written from a lightly Christian world view.
