Rose (Wildflowers Of Montana) (Volume 1) Vanessa Vale

Rose Lenox has grown up to be more comfortable on the back of a horse than wearing ribbons and bows like her seven adopted sisters. For years working the land was enough, but lately Rose finds herself wishing for something different. She wants her own ranch and freedom from her overwhelming and unorthodox family. Rose is determined to strike out on her own and forge her own path. Lenox neighbor, Chance Goodman, has watched Rose grow from a spitfire of a girl to a beautiful and fiery woman. For years he's waited patiently and watched her struggle to find her place in the world. When she leaves the Lenox ranch alone, determined to abandon her former life and to say good-bye to him, he knows the time has come to claim her. Letting her walk away isn't an option. Chance knows exactly what she needs...and he's going to give it to her. Follow the eight Lenox sisters through this historical erotic series that's as big and bold as the Montana Sky. The Wildflowers of Montana begins with Rose and her hot, Alpha cowboy.
