PETER PAN PREMIUM COLLECTION ILLUSTRATED, is your ultimate Peter Pan reference book.

The first book, Peter and Wendy (also published only as "Peter Pan", which has caused some confusion) is the story that we all know and love. This version includes "WHEN WENDY GREW UP" a chapter written many years later, and originally published separately.

The second book is "PETER PAN IN KENSINGTON GARDENS". The story is lesser known, and features a seven day infant Peter Pan, who escapes out of the window of his London home and return to Kensington Gardens, were he gets stranded.

Most of the text of Peter Pan in Kensington Gardens was included as chapters 13-18 of Barrie's earlier novel The Little White Bird, published in 1902, with minor differences appearing on only nine pages of the separately published 1906 novel.

The Little White Bird, the third text of the collection, was published as a novel for adult readers; whereas Peter Pan in Kensington Gardens was published specifically as a children's book.

The Fourth Book of the Colection, is the original base of the series: The stage play titled Peter Pan, or the Boy Who Would Not Grow Up. The play was a success for many years, starting in 1904, and it developed into the Peter and Wendy novel that we all know and love.

That is the Peter Pan collection, as J.M.Barrie, the author, only wrote these four major literary works featuring the widely known literary character he created, Peter Pan.

To round up this collection and this volume, we have also included the novels:

- Sentimental Tommy; and,
- Tommy and Grize (the sequel to "Sentimental")

The decision to include these bonus books, is based on the fact that these novels, written before Peter Pan, have always been considered to deal with themes much more explicitly related to what would become Peter Pan, and are thought to have a Peter Pan quality to them. They are also considered Barrie's most revealing and outstanding prose works.

Barrie does a good job of making Tommy come alive with many faults and many treasures to his personality. Tommy is definitely capable of being a sneaky manipulative young man but his protective nature to Elspeth and loyalty to those that he cares about is very endearing.
