Meticulously researched and beautifully rendered, EMMA is a beloved, award-winning series that was adapted into an acclaimed anime series in Japan. In Victorian-era England, a young girl is rescued from a life of destitution and raised to become a proper British maid. Emma meets William, the eldest son of a wealthy family, and immediately falls in love with him. William shares her feelings, but the strict rules of their society prevent their relationship from ever coming out in the open. Traditional class distinctions and rich, historical details provide the backdrop for this appealing romance.
