## **The Art of Connectivity: A Call for Unity Within a Diverse Society** Melvin Markell McPhearson

The Art of Connectivity - A Call to Unity Within a Diverse Society "The Art of Connectivity" is an attempt to unite the disconnected! If we are connected holistically and know what we have been called or created to do, then we may map out our lives and take the appropriate detours when obstacles are placed in our paths. If we are living with undefined directions and focus, we may become lost, unstable or unable to move ahead when a detour or obstacle is placed in our paths. Individually, we must see and embrace positive visions. We must avert negativity and recover holistically from obstacles in our paths and together we can/will make a difference. Connectivity is mapping your life backward and securing direction and re-direction throughout your life journeys. Connectivity is staying in your lane at times or crossing and eradicating negative and chaotic lines. Connectivity is helping others after you have helped yourself or found help from the hands of another. It is helping oneself and opening doors so others may be helped. An essential focus of this writing is connecting and evangelizing the local community through Christian educational methodologies to eradicate/minimize negativity and embrace unity. This enlightenment will be accomplished through active participation in the learning experiences that causes one to delve within the teachings of those who have lived and died so all people can live together in unity, while embracing theirs and other's cultural values. The positive counteractions are primarily the responsibility of the individual to accept and implement, but it is also a shared responsibility. This shared responsibility must be conveyed and put into action by any positive or holistic means necessary to assist the self-negated to be connected and productive members of society. Just as so many pull together and work together during a major disaster for the good for all concerned, we must see the sign
