UNIQUE ASPECTS OF THIS BOOK:

What you will love a lot is the accountability system that empowers you to put the book into action instead of just reading through it and put it away.

Also, when you get to the end of the book, you will get two surprises. One will be the 11 additional challenges for 3 more areas of your life that help you feel even more fulfilled. The other is a scholarship you will need to check out when reading the book. Curious yet?
