A tragic car accident will forever change the Keller family. Fifteen-year-old Levon Keller survives, though his older brother David, star athlete and golden child, does not. As the fragile family mourns while trying to move on, guilt-ridden Levon finds himself lost between the memory of his brother and the constant attention his younger sister requires with a rare genetic affliction. When the beautiful and unpredictable teenager Lucy Bell moves in next door, Levon finds a trustworthy friend--one capable of providing salvation and true insight. Their friendship leads the reader on a journey that reveals family secrets and painful truths, culminating in an astonishingly suspenseful realization: when it comes to family, nothing is as it seems. Compelling and rife with raw emotion *The Mourning After* captures the essence of a family in crisis and recovery. It sings with the power of the human spirit.
