What's Next for the Middle East...and How Will It Affect Us?

Iran has repeatedly declared its intention to destroy Israel. ISIS continues to gain ground, leaving a trail of death and terror in its wake. And Russia is inserting itself into Middle Eastern affairs in a power play prophesied long ago.

ISIS, Iran, Israel is an updated edition of the book *Iran and Israel* by prophecy scholar Mark Hitchcock, with all-new information on ISIS, Russian involvement in Syria and Iran, and the overall state of relations between Israel and Iran. Hitchcock brings a strong biblical perspective to the latest conflicts, while answering important questions such as...

- Are we on the road to the Apocalypse?
- Will there ever be peace in the Middle East?
- What can we expect in the days to come?
- How are events in the Middle East affecting America today?

An eye-opening survey of where things stand and how it all ties in with Bible prophecy.
