What the mind forgets, the heart remembers.

A Thompson & Sons Story

Since the moment Katy Thompson transformed from annoying tagalong to desirable woman, Gage Jenick has awaited his chance. When she kicks her boyfriend to the curb, he doesn't hold back—in spite of the next-day work assignment that will take him completely off the grid for two long months.

After a head injury sustained on a storm-swept road, Katy can't remember her own email password, much less how the little pink "positive" on the pregnancy stick got there. Barring an influx of midi-chlorians, she's at a loss to explain what happened, or when...or with whom.

Suddenly Gage is back in her life as if he has a right to be there. While she vividly remembers the crush she had on him, she's no one's charity case. But another thing she'd forgotten was just how stubborn Gage can be—especially when her domineering ex tries to stake a claim...

Warning. An unforgettable night that gets forgotten. A crazy redneck ex, and a hero who's ready to take on the world, and his past, for his heroine.
