No Lost Causes

Alvaro Uribe Velez

No Lost Causes Alvaro Uribe Velez

One of the most inspiring and successful global leaders of the early 21st century explains how bold, imaginative leadership can solve even the most intractable problems—and why there is no such thing as a lost cause.

It's one of the great, unexpected turnaround stories in modern history: Just a decade ago, Colombia was regarded as a "failed state," besieged by megalomaniacal drug kingpins, ruthless terrorist groups, and abominable poverty. But since 2002, it has been dramatically transformed into a far more peaceful, stable modern democracy with a promising future. Now, the man who led the transformation, former Colombian president Alvaro Uribe Velez, offers the untold story of how, at enormous personal risk, he refused to accept Colombia's perilous status quo.

Extremely captivating, *No Lost Causes* reveals how President Uribe severely weakened the neo-terrorist group, the FARC, which held Colombia captive and caused the brutal murder of his father. It relates the gripping account of how President Uribe staged the daring (and bloodless) jungle rescue of Ingrid Betancourt in 2008, and eventually restored the rule of law across the country. It also explores practical lessons of hands-on management—relevant to both political and business leaders—and provides a thrilling behind-the-scenes look at newsmaking U.S. foreign affairs and never before discussed details and dealings with various world leaders.

Unlike any other presidential memoir, *No Lost Causes* is not only a compelling story of leadership, but an epic, heart-racing account of how bravery and hope gave a failing nation a brighter future.

From reader reviews:

Victor Banister:

What do you concerning book? It is not important to you? Or just adding material when you require something to explain what the one you have problem? How about your free time? Or are you busy man or woman? If you don't have spare time to do others business, it is make you feel bored faster. And you have extra time? What did you do? All people has many questions above. They need to answer that question since just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need that No Lost Causes to read.

Adria Jenkins:

The reason? Because this No Lost Causes is an unordinary book that the inside of the e-book waiting for you to snap it but latter it will shock you with the secret it inside. Reading this book alongside it was fantastic author who else write the book in such amazing way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking method. So , still want to postpone having that book? If I ended up you I will go to the publication store hurriedly.

Patrick Vanmeter:

Playing with family in the park, coming to see the marine world or hanging out with pals is thing that usually you have done when you have spare time, and then why you don't try factor that really opposite from that. 1 activity that make you not experience tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love No Lost Causes, you are able to enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.

Richard Delarosa:

This No Lost Causes is great book for you because the content and that is full of information for you who else always deal with world and possess to make decision every minute. This particular book reveal it data accurately using great arrange word or we can point out no rambling sentences included. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with splendid delivering sentences. Having No Lost Causes in your hand like finding the world in your arm, information in it is not ridiculous one. We can say that no e-book that offer you world with ten or fifteen second right but this e-book already do that. So , this can be good reading book. Hello Mr. and Mrs. active do you still doubt this?
