## **Paul and Scripture: Studying the New Testament Use of the Old Testament** Steve Moyise

There are over one hundred explicit quotations of Scripture in Paul's letters and at least two hundred allusions. The coming of Jesus and the birth of the church caused Paul to look at the Scriptures with new eyes, sometimes clarifying what was written and sometimes reinterpreting it. This volume illuminates Paul's use of the Old Testament, providing a big-picture overview for students of the New Testament. Steve Moyise, a recognized expert on the use of the Old Testament in the New, discusses Paul's handling of creation stories, Abraham, Moses, the Law, the Prophets, and the Writings. He then assesses competing contemporary approaches to Paul's interpretations of Scripture.
