Martin Herrin:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful pics on there. Yeah, it is to become complicated. Book is very
