Bound, Evil, & All Souls (Dark Souls (Soul Hunters) Book 3) E.J. King

Kaylie Hart's worst nightmare has come true. Her best friend has been turned into one of the monsters that she has spent her life hunting. Now she is faced with a terrible decision- kill Hope or wait for Hope to kill someone else?

Kaylie Hart swore that she would find a way to save James Rafferty. Not just because she loves him, but because she owes him. Two years ago, he saved her life. Now, it is her turn to return the favor. But to save him, she has to get him to drain her blood. When it's over, Rafe is saved but she hovers at the brink of death, fighting to find her way back to him. When she finally opens her eyes, it's like she can see for the first time, and she can finally see a future for herself.

Kaylie Hart made a home for herself. She started a normal life, one devoid of hunting and supernatural beings. But that normal life didn't last long, and now she's been forced to leave her home. After leaving Rafe and Ethan, she comes across a Were nest and faces a side of the supernatural world that she never knew existed. When she meets the charming Alpha of a nearby pack, everything she ever believed about the monsters she spent her life hunting is questioned. Slade forces her to face the ultimate question- are all monsters evil?

Bound, Evil, & All Souls was originally published as three separate stories: Bound Souls, Evil Souls, and All Souls.
