Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

Michael Espy:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or to make a summary for some e-book, they are complained. Just very little students that have reading's heart or real their passion. They just do what the instructor wants, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that reading is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So, this Memoirs of the Harvard Dead in the War Against Germany Volume 3 can make you sense more interested to read.
