With 1.4 million copies in print and as a New York Times and USA Today bestseller, 90 Minutes in Heaven by Don Piper has made a difference in how many people view life and Heaven. As the third book in The Powder Room series, Reflections From the Powder Room on 90 Minutes in Heaven exposes real-life-serious and not-so-serious discussion about life, death, and everything in between. Readers will enjoy journeying along with four women whose beliefs, ideas, and experiences are as different as the lipstick they wear and the lives they lead. Realizing that discussions about the afterlife, eternity, immortality, and the hereafter have for centuries sparked intellectual deliberations, religious arguments, and personal introspection, they tackle these topics with all the finesse their stilettos (and pink bunny slippers) will allow. There is no doubt these wikipowderroom-type cliff notes about 90 Minutes in Heaven will create conversation in book clubs, classrooms, and kitchens as readers question their views about life and death, as well as Heaven and hell.
