Comprehensive and concise, *Strategic Planning for Collegiate Athletics* offers a step-by-step approach to planning and managing successful athletic programs. For athletic administrators at the collegiate level (and those in high school or recreational programs), this valuable resource will help you analyze your organization's environment, set objectives, decide on specific actions, and obtain feedback to create a dynamic plan for your department. Addressing the advantages of devising a blueprint for your athletic enterprise--such as knowing what to expect of colleagues and having a clear picture of future directions--*Strategic Planning for Collegiate Athletics* offers you easily implemented methods and suggestions to help your athletic department develop a map toward greater success and achievement. According to a recent survey, athletic departments are much more effective when efficient and formal planning occurs every year and a long-range plan is in place. *Strategic Planning for Collegiate Athletics* provides you with a proven formula to help your athletic program expand and succeed at a higher level. This book gives insight into:

- using a team-building approach to plan and to develop leaders and involve a broad range of people in the planning process
 - choosing which type of plan, strategic or tactical, is the best option for your organization
 - performing a SWOT analysis of your department (Strengths, Weaknesses, external Opportunities, and Threats) to help you garner important information and identify critical areas for improvement
 - setting strong objectives that identify specific results in key areas, state specific time periods for projects, and that are consistent with organizational standards and purposes
 - devising operational, production, finance, and communication plans to efficiently fulfill your goals and objectives
 - conducting a detailed planning audit of personnel, data, and reporting format to identify actions that will improve your planning process
- Containing helpful worksheets, outlines, and charts, *Strategic Planning for Collegiate Athletics* includes examples and suggestions from real-life athletics management situations. This invaluable guide will assist you in creating an ambitious and knowledgeable marketing plan for your athletic program that will bring pride, heightened success, and financial benefits to your organization.

From reader reviews:

Erin Mohammad:

Book is to be different for each and every grade. Book for children till adult are different content. As we know that book is very important normally. The book Strategic Planning for Collegiate Athletics had been making you to know about other know-how and of course you can take more information. It is rather advantages for you. The book Strategic Planning for Collegiate Athletics is not only giving you considerably more new information but also to be your friend when you experience bored. You can spend your spend time to read your publication. Try to make relationship while using book Strategic Planning for Collegiate Athletics. You never truly feel lose out for everything if you read some books.

Mary Bolinger:

This book untitled Strategic Planning for Collegiate Athletics to be one of several books that best seller in this year, that is because when you read this guide you can get a lot of benefit upon it. You will easily to buy this particular book in the book retail store or you can order it by using online. The publisher in this book sells the e-book too. It makes you more easily to read this book, because you can read this book in your Smartphone. So there is no reason to you personally to past this book from your list.

Timothy Austin:

The reason why? Because this Strategic Planning for Collegiate Athletics is an unordinary book that the inside of the book waiting for you to snap this but latter it will shock you with the secret this inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content within easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you for not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book have such as help improving your talent and your critical thinking means. So , still want to hold off having that book? If I were you I will go to the book store hurriedly.

William Patterson:

As a student exactly feel bored to reading. If their teacher questioned them to go to the library or make summary for some publication, they are complained. Just small students that has reading's internal or real their hobby. They just do what the trainer want, like asked to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Strategic Planning for Collegiate Athletics can make you really feel more interested to read.
