Who would ever think America would be where it is today. Religious liberty is at stake and the ambition of the Islamic countries to rule the world is noticeable in the Congressional leaders, the cabinet of President Obama and the many churches that continue to embrace Islam. This booklet is about the controversy over the name Allah. In Islamic countries, the name Allah is the name of God in most religions. Some have said. "It is the Aramaic word for God and no other name in Aramaic is given to this deity." While the rest of the world uses Jehovah, Yahweh, and God as titles for God these names are not accepted by Islamic led countries. Because of this, the names for God is compromised in many Islamic countries do not know the difference between the God of the Bible and "the god" of Islam. Christianity is established upon Jesus Christ in His death, burial and resurrection. Christians accept God, Jesus and the Holy Spirit as three persons but one in God. This is known as the trinity and is not accepted by many cultic religions as well as Islam. In Islam to claim that Allah has a son a person can be sentenced to death. I hope that by God's grace I will help to open the eyes of the reader to see the Allah of Islam is no more than a name given by Muhammad to a false deity who was one of many gods of the Nomadic tribes as far back as 8500 BC. These tribes worshiped many gods and by 1200AD they were predominate Islamic and Buddhism. While Islam and Buddhism were the most prominent religions during the Pax Mongolica and other religions were practiced and for the most part tolerated. Assyrian Christianity, was introduced to China in the 7th century in Chang'an, had many followers, including Kublai Khan's mother. Ignorance seems to be the answer why so many are drawn to the name Allah. Biblical history reveals there is one God and He was and is the God of the Jews who sent His son to die on the cross for the sins of man. Until Jesus was born, the message was directed to the Jews and the Barbarians. Because the Jews refused Christ as Savior and Lord, His Virgin Birth, and Resurrection the message went to the Gentiles who received it with open arms. The Church was established upon Christ and according to scripture is His bride that he will return for them someday. This book I hope will open the eyes of the reader to who Allah really is and who Yahweh is.
